Dec 22- Jan 19

## Dogs

You lead with consistency and heart. You understand routines and the comfort they bring. This month, focus on shared rituals. Walks at the same time. Calm moments together. You help your family feel anchored.

## Cats

You are observant and discerning. You choose calm and show your humans how to do the same. This month, claim spaces of comfort and invite your people to slow down with you. Your presence teaches ease.

Color me in and/or cut along dotted lines. Fold in half, taping the edges to create a card. Read out loud to your cat or dog, and embrace its wisdom.
