

RW&B FROZEN CUBES

FOR CATS & DOGS

& THE HUMANS WHO LOVE THEM

INGREDIENTS:

- organic watermelon
- organic blueberries
- organic banana
- organic peeled cucumber
- water

YOU'LL NEED:

- ice tray

Instructions:

1. Ask your human to grab an ice tray and fill with fresh water.
2. Wash blueberries. Wash, peel, and thinly slice the cucumber. Thinly slice the banana and watermelon.
3. Place 1-3 small pieces of each ingredient into its own cube compartment or create festive combinations.
4. Freeze until solid.
5. Add one or two cubes to your pet's water bowl on a hot summer day.
6. Be completely entertained by how much fun a single ice cube can be for your dog and cat. Enjoy!

Portion Reminder: 1-2 ice cubes in a bowl of water is the perfect serving size. As always, if your pet has dietary sensitivities or medical conditions, please consult with your veterinarian before trying new foods.
